SUBJECT Water and Drainage facilities to Gundlupet Town

Adverting to your Memo No L 15767 dated 12-4-1948 forwarding an extract of the petition dated 29-12-1947 addressed to the Minister for Public Health from the Municipal Councillors of Gundlupet Town praying for water facilities and drainage at the place, I have the honor to state that an estimate for Rs 1,89,100/- in respect of the water supply scheme has been sent to the Sanitary Engineer on 24-9-1947 with this office D3 C 3307/39 after obtaining countersignature of the President to the said estimate for taking further action in thematter

As regards, the sources of meeting the cost of this estimate the Municipal Coucil have pleaded their inability tocontribute anything on the ground that as they have several other important works to be undertaken and pray that the Government may be moved to meet the entire cost of the estimate by sanctioning a grant equal to the cost of the estimate out of the water supply grants An extract of the proceedings of the meeting of the Gundlupet Town Muncipal Council held on 27-8-1947 is herewith enclosed for kind reference

With regards to the drainage works a revised estimate for Rs 31,150/- has been sanctioned for the 1st stage of the drainage work and for the entire amount has been placed at the disposal of the Sanitary Engineering Department It is reported that suitable site has also been acquired and handed over to the Sanitary Engineering Department for the construction of a Septic tark The first stage of the drainage work is reported to have done half and half and the construction of the Septic tank has not been taken up at all by the Sanitary Engineering Department As a result it is reported by the President that the sabage water has stagnated near the ooked in Chamarajanagar Road and has become very insanitary I therefore request you to be so goodas to address the Sanitary Engineer to complete these works very early

A comprehensive drainage scheme called for from the Sanitary Engineer on 1-10-1947 has not yet been received He has intimated in his letter No 859 dated 4-3-1948 that the estimate is under revision in the Sub Division and will be forwarded as soon as it is received

I have again requested the Sanitary Engineer to expedite the forwardal of the scheme On receipt of the same a further report will be sent in the matter

The extract of the petition and the report of the President, Municipal ouncil thereon are herewith enclosed

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE

Read

L1393 S
To the Chief Engineer for Roads & Buildings
Sir,

I am directed to state that the Sanitary Engineer, Bureau of Sanitary Engineering has in his letter No 2038 dt 11-3-49 intimated to the Dy Commr, Mysore dt that the estimate for Rs 2,34,120 for the water supply scheme to Gundlupet Town has been forwarded to you with his letter No 966 dt 25-12-48 for obtaining sanction. I am to request you to state in what stage the matter stands at present. An early reply is requested

Yours faithfully
for Secy to Govt

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Read

Government Order No.L.4583-6/Ml.82-41-5 dated the 4th November 1942 sanctioning an estimate for Rs 17,775 for carrying out the first stage of the drainage scheme in the Gundlupet Town, the cost of the work being borne in equal proportion by the Government and the Gundlupet Town Municipal Council.

2. Correspondence ending with letter No.B 3 C.4817/45-46 dated the 15th May 1947 from the Deputy Commissioner Mysore District, requesting in the circumstances explained, sanction to the resolutions of the Gundlupet Town Municipal Council dated the 31st January 1947, to sanction the revised estimate for Rs.30,957 for the above work, pointing out the ways and means of Financing the scheme,

3. Un-official Note No.457 dated the 6th June 1947 from the Chief Engineer for Roads and Buildings scrutinising and correcting the estimate to Rs.31,150.

Order No. 4.8923-6 Ml 45-47-7

Dated, Bangalore, the 6th September 1947.

The revised estimate for the first stage of the drainage scheme in Gundlupet Town is sanctioned for Rs.31,150 as ~~revised~~ scrutinized by the Chief Engineer for Roads and Buildings.

The cost of the estimate will be met in equal proportion by the Government and the Municipal Council, as was ordered in the case of the original estimate sanctioned in the Government order, dated the 4th November 1942 read above.

The Municipal Council has already paid a sum of Rs.10,942 in this behalf. the balance amounting to Rs.4,633 may be met out of the closing balance of the Municipality during the current year.

In regard to the Government share of the cost, a sum of Rs.8,887 has already been drawn on 13th March 1943 from out

out of the Town Improvement grants and credited to 17(a) P.D The balance to be paid amounting to Rs.6,688 will be met out of the T.I grants for the year 1947-48.

for Secretary to Government,
Revenue Department.
